Back by Popular Demand - 2023 UPDATES!!

Learn HR Digital Transformation Strategies, Technologies and Trends

10th – 11th May 2023

12th – 13th July 2023

Kuala Lumpur (In Person) / Online Training

Course Objectives

By the end of this intensive 2-day learning journey, you should be able to:

- **UNDERSTAND** the major technological trends that are disrupting Human Resources
- **SELECT** HR Tech solutions that streamline the workflow within your organization
- **FORM** a business case for HR Tech deployment
- **GAIN** insight into the organizational and HR mindsets driving HRM 4.0
- **OUTLINE** the elements of a healthy digital culture
- **DEVELOP** a strategy to digitalize and e-enable the HR function in your organization
- **APPLY** a competency-based digital resilience framework to support agile working practices and well-being

Course Methodology

Client has the option to choose to participate either below method.

Online Training : *This course will be conducted via Zoom.*

Marriot Group Hotel: *This course will be conducted at the hotel with the trainer on site. Participants will need to bring their own laptop. Lunch/Dinner and 2 networking breaks will also be provided.*

Course Methodology

A balanced approach between PowerPoint presentation, facilitated discussion, case studies and action-learning, individual exercises and group-based activities will ensure the direct transfer of skills, information and relevant practical experience and will show you how to adopt an integrated platform approach in the development and deployment of a Digital HR framework that embraces true digitalization of HR.

Who Should Attend?

- **HR Directors and Talent Managers** with a need to implement digital systems or expand their use of existing ones
- **HR Generalists and Professionals** who need to update their HR Technology competencies for their current or future planned positions
- **HR Administrators** with a need to enhance systems capabilities to improve their ongoing job performance
- **Business Owners, Executives and Managers** with a need to understand the technologies available to the HR professional
