Why you Should Attend?

Accounting and Finance has always been recognized as a very key function in any organization. It provides the basis for information reports to be generated from these records to help managers to make a more informed and effective decisions to increase their organizational performance.

Accounting and Finance will forever be an extreme asset and vital aspects to one's career and organization success. It is a "NEED TO KNOW" subject matter.

Hence this training workshop will help all Non Finance Managers to increase their Performance and Communication effectiveness in their daily Accounting Work through new knowledge acquired.

As this is a training workshop, participants besides attending lectures are also required to work together in pairs and groups to have hands on exercise to recap the learnings together . Hence a calculator is required and are welcome to bring their own computer. Participants are also encouraged to bring their real working questions for discussions.

Who Should Attend?

All Non-Financial Managers, Executives, Professionals and Personnel

Methodology

- Course notes
- Participative and active, group discussions, and
