

# Financial Modelling with Business Intelligence

*Achieve Practical Insights in Financial Model Building and Evaluation of Financial Risks*

17th - 18th January 2024

27th - 28th March 2024

Kuala Lumpur (In Person) / Online Training

## Major Benefits of Attending

By attending this executive training, you will know how to:

- **ANALYSE** financial statements using modelling
- **CREATE** a Budget and to make changes to different scenarios
- **DEVELOP** a model for investment decision
- **CREATE** a sensitivity analysis model
- **DISCOVER** the latest functions to hit Excel: dynamic array functions
- **CREATE** Business Intelligence reports and analysis

## Prerequisite

- Participants should have a working knowledge of Financial Statements and a working knowledge of Microsoft Excel.
- Participants should bring their own Windows based laptops with a full installation of Excel 365 or Excel 2021 or later, to the workshop. They should also have the latest version of Power BI Desktop installed and working.

## Why you Should Attend?

There are many financial modeling courses on the market these days and you might already have attended one or more of them. In this course, however, we are introducing you to financial modeling with business intelligence.

Business Intelligence includes Power Query and Power Pivot technologies that are built into Microsoft Excel now.

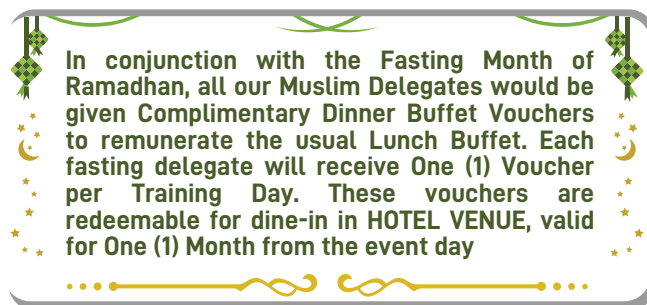

In addition, we are also including the mainstay topics for revision or for review for the first time.

Every financial and non financial manager is welcome to attend this course and once you have seen what we are offering, you will definitely want more!

Organized by:

FDB EVENTS PTE LTD (SINGAPORE)  
FDB SYNERGY SDN BHD (MALAYSIA)

## Course Methodology

Client has the option to choose to participate either below method.

**Online Course :** *This course will be conducted via Zoom.*

**Marriot Group Hotel:** *This course will be conducted at the hotel with the trainer on site. Participants will need to bring their own laptop. Lunch/Dinner and 2 networking breaks will also be provided.*
