## Who Should Attend

This course is suitable for internal audit managers, quality assurance managers, compliance managers, IT auditors, internal control officers, risk managers and Chief Internal Audit Executives who are looking for more impactful and effective ways to thrive with their up, down and strategic communication channels within the outside their organization.

## Why you should attend

Have your or your team written an Internal Audit report that has been misinterpreted by your key readers? Are you new to Internal Audit and looking for guidance on how to deliver your audit findings succinctly, efficiently and effectively?

After all your good audit fieldwork has been completed, do not let all that effort go to waste. Your Internal Audit report is the primary deliverable of each Internal Audit assignment, but it is not an easy thing to do well. A well-written report can enhance the credibility of both you and the Internal Audit function, whereas a badly written report can have the opposite effect.
