

ESG AND SUSTAINABILITY MASTERCLASS

"DESIGNING YOUR OWN SUSTAINABILITY STRATEGY"

29th - 30th May 2024

19th - 20th August 2024

Kuala Lumpur (In Person / Online Training)

Major Benefits of Attending

By end of this course, delegates will be able to: -

- **IDENTIFY** the causes of our environmental decline that have caused economic and social damage leading to the now urgent need for sustainable practices.
- **EXPLAIN** what ESG actually is and its relevance to making business decisions.
- **DESCRIBE** critical environmental, social and governance issues.
- **EXPLAIN** how stakeholders influence corporate ESG performance.
- **SEE** one's company from a stakeholder perspective and **LEARN** effective Stakeholder Management policies and strategies.
- **EXAMINE** government and public policy as it relates to promoting real-world, effective, achievable, sustainable practices.
- **ANALYSE** ESG risk and opportunities.

Course Methodology

Client has the option to choose to participate either below method.

Online Course : *This course will be conducted via Zoom.*

Marriot Group Hotel: *This course will be conducted at the hotel with the trainer on site. Participants will need to bring their own laptop. Lunch/Dinner and 2 networking breaks will also be provided.*
