Why you should attend

You cannot stop events such as the rapid changing market places, and with business advances progressing faster every day, as a leader: How do you anticipate, avoid, resolve or even "save" your organization in this ever changing business landscape? Despite being beneficial at time, changes in external environment (read political, economical, social, technological) have brought with it increased **VOLATILITY, UNCERTAINTY, COMPLEXITY and AMBIGUITY** or, as it's now known in leadership language as VUCA. Welcome to the new norm called VUCA, or face organizational disaster. Welcome to the new art and style of leadership in the 21st Century.

Who Should Attend

This program is prepared for senior managers, C-suites, leaders, managers and anyone who has departmental or higher responsibilities, plus identified talent, high potentials and future leaders.
