Why you Should Attend?

- * Ever wondered why after you had communicated so clearly, and yet others still don't "get" you?
- * Have you been in a position where you delivered as per instructed, but have your work thrown back at you?
- * Are you avidly looking for books and role-models to learn from, but somehow their methods just seemed unnatural to you?

Believe it or not: Your communication and thinking styles are imprinted in your genes, and this program can help you to unlock the charismatic communicator inside you, so you can connect, convince and communicate better with anyone, anywhere, anytime.

This workshop strives to cover the foundation and concept of communication through discovering of self. You will do the **Colored Brain Communication Inventory (CBCI™)** tool to uncover your Colored Brain. It will be a revelation to understand yourself at a deeper level and unleash the greater potential in you.

This workshop is inter-active filled with experiential games to explore your communication style. It will enhance your inter-personal skill in dealing, engaging and managing people. At the end of the session, you will develop your personal communication strategy on how to capitalize on your strengths and leverage on the strengths of other people and achieve results without facing communication conflicts.
